see the world through design

Torre 1961 has over 55 years experienced in producing the highest quality chairs and tables in metal, wood, leather and plastic for Home and Office use.

The past 30 years has seen us develop and refine a collection of Contract products closely developed in cooperation with architects and designers of international fame. Innovation, creativity, flexibility and a correct relationship between quality and price, together with a youthful and dynamic staff are certain to satisfy your most rigorous demands.

Fifty five years of customer satisfaction has allowed us to become worldwide distributors of quality made furniture that will last many years. We sincerely thank our customers, past, present and future for your loyalty, and we look forward to another 50 years of producing the finest lines of furniture made in the world.

Torre 1961 is universally recognized for our attention to customer service first, last and always.

COMPANY CERTIFICATION

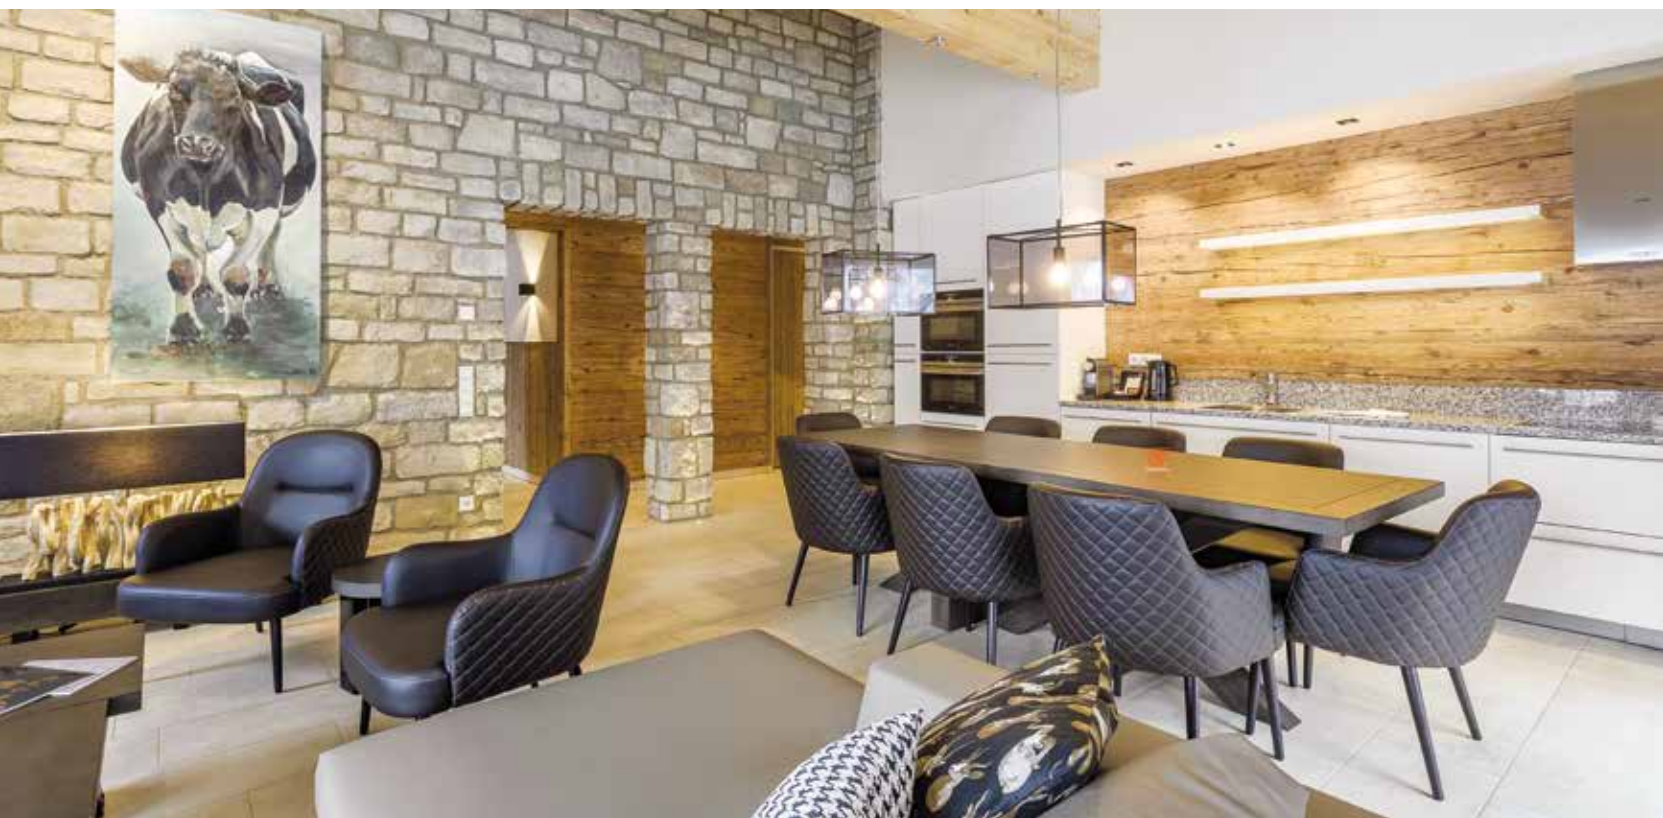

In year 2004 we have achieved the ISO 9001:2000 certification in order to guarantee our customers with the internationally renowned principles of standardization. Our products are certified by CATAS with the most severe tests for Contract use.
